Type Of Facility: Match pitch

Sports: • Cricket

Pitch System: • Envelope System NG7

Completed: May 2015

Contractor: Notts Sport Cricket East

Points of Interest:

Cricket club who have played all matches at away grounds for the last 40 years. They were able to use a former rugby pitch with their parent club but needed a match pitch facility in order to begin playing home matches. Once a system was agreed Notts Sport Cricket East installed the pitch in May in time for the club to play their first home game, from which they came out with a winning draw

Quote:

"From the first meeting to the completion of the installation of the wicket Notts Sport conducted a very professional and knowledgeable service. The advice and guidance during the initial meetings convinced us that the Notts Sport product was the ideal wicket for our new ground providing us with a much needed home venue for cricket."

"We are absolutely delighted with the condition and playing surface of the wicket and are proud that Notts Sport have supported the development of our ground, enabling us to deliver this great project that will be a focal point for the local residents creating a vibrant hub for cricket."
